

Spatrian

FOR EVALUATORS, UMBRELLA SCHOOLS AND DISTRICT REVIEWERS

Reading a Spatrian PE portfolio.

The parent is the home educator and the author of the record. Spatrian keeps the log, adds up the hours and lays out the documents. It does not award credit, set a grade or certify anything.

1 Every figure is a sum of dated sessions

Each total traces back to the chronological activity log, where every session has its date and its minutes.

2 A transcript you can check

Every transcript carries a SHA-256 fingerprint. Enter it at spatrian.com/verify to see that it is the one issued, unchanged.

3 A link a parent may send you

A read-only link to one child's record for one named person, for up to ninety days, which the parent can take back at any time.

4 What the documents do not claim

They do not say a family has met a requirement. Whether the record is enough is for you, the district or the state.

One soccer platform, four parts. Each works on its own; connect them by code if you want to.

The player	Coaches	Personal trainers	Homeschool

Spatrian keeps the record; the family files it; someone else decides.
