

FOR HOMESCHOOL CO-OP LEADERS

Co-op PE, for the whole group.

Run the co-op's sessions from one phone while each family keeps its own record. The minutes you log land on each child's own record, and each family hands its evaluator a letter built from them.

1 Park Day, from your phone

Children split into color groups, every group visits every station once, and the whole field moves on one clock.

2 Before the day

Pick stations from seventeen group activities. Families answer Coming or Can't make it, and a parent can offer to run a station.

3 When it ends

Tick who was there. Each present child's stations and minutes go to their own record, and a retired finish never logs twice.

4 The letter each family hands over

After a term, each family downloads one letter: every co-op session by date and activity, the hours, and what their own state asks for.

One soccer platform, four parts. Each works on its own; connect them by code if you want to.
